Competition Results

2008 Australian International Beer Awards

Winners of the 2008 Australian International Beer Awards (AIBA) were announced in April. Like last year, the US craft beer industry performed exceedingly well, winning a total of 103 awards in 47 different categories.

Results from this year's AIBA represent a significant achievement for the EDP. Over 30 US craft breweries entered the competition, enabling the US industry to have far greater representation than ever before. Overall, the AIBA received 1,084 entries from 42 countries around the world.

The AIBA is the pre-eminent showcase for premium beer and brewing excellence in the Asia Pacific Region. Held in Melbourne each year, the AIBA, Australia's most prestigious beer event, has become firmly established on the international brewing calendar as a renowned and recognized barometer of diversity in beer brewing across the world.
