

Brewers Association EXPORT DEVELOPMENT PROGRAM

Competition Results

2009 Stockholm Beer & Whisky Festival

The Brewers Association Export Development Program (EDP), now in its sixth successful year is designed to promote US Craft Beers in targeted global markets through trade missions, shows and competitions such as the 2009 Stockholm Beer & Whisky Festival, one of Europe's largest trade and consumer shows.

This was the Brewers Association sixth appearance at the event. Previous visits have resulted in new distribution for US craft beers in Sweden's retail monopoly, the local on-premise sector, and elsewhere in Scandinavia.
