2009 BrewNZ Beer Awards Winners Announced

The Brewers Association Export Development Program (EDP), now in its sixth successful year is designed to promote US Craft Beers in targeted global markets through trade missions, shows and competitions such as the 2009 BrewNZ Beer Awards competition.

The Brew New Zealand Beer Awards are one of the pre-eminent showcases for premium beer and brewing excellence in the Asia Pacific Region. Held in Wellington each year, the Brew New Zealand Competition, New Zealand's most prestigious beer event, has become firmly established on the international brewing calendar as a renowned and recognized barometer of diversity in beer brewing across the world.

The BrewNZ Beer Awards featured entries from over 70 breweries, judged over three days by a panel of experts, led by US-based judge David Logsdon. Internationally recognized and New Zealand's premier beer competition, the BrewNZ Beer Awards culminated in an awards evening on August 27 at the Wellington Town Hall.
