2010 European Beer Star Winners Announced

The Brewers Association Export Development Program (EDP), now in its seventh successful year is designed to promote US Craft Beers in targeted global markets through trade missions, shows and competitions such as the 2010 European Beer Star competition.

This year, there were 88 international beer judges that judged 955 beers (2009: 836) from 34 countries and there were medal winners from all five continents.

"There have never been so many participating breweries and so many breweries that made it into the winner lists," says Dr. Werner Gloßner, Managing Director of the Association Private Brauereien Bayern. "This shows how prestigious the award has become worldwide!"

Brewers Association Export Development Program subscribers took gold, silver, and bronze medals at the [2010 European Beer Star competition](#)! There were 27 EDP members who participated and submitted 97 different beers for the competition. Among those, the following US craft beers were selected as winners:
