## Minnesota Craft Brewer's Guild Scholarship Program 2012

Applications Due by March 1 Annually

Applications can be attached emailed (preferred) to [info@mncraftbrew.org](mailto:info@mncraftbrew.org) or mailed to the address above  
Any questions may be addressed to Damian McConn: [dmccconn@summitbrewing.com](mailto:dmccconn@summitbrewing.com)

The scholarship program of the MNCBG has been created to assist Guild members in expanding their knowledge of brewing, malting and other related fields.

The scholarship program is available to any compensated employee of a Regular MNCBG member. Membership must be current in the year the scholarship is awarded. Scholarships are limited to 1 per individual per year.

All applications will be reviewed by the MNCBG Board of Directors.

Four scholarships are awarded for use in 2012. There will be no roll-over of unused monies to 2013.

- One (1) scholarship in the amount of \$2,000
- Three (3) scholarships, each in the amount of \$1,000

Scholarships can be utilized for any brewery related education course including but not limited to courses sponsored by ASBC, MBAA, Siebel Institute, American Brewers Guild, UC Davis Extension, and International Brewers Symposia.

All awarded scholarships will be paid as reimbursements. Reimbursement requests need to be made to the MNCBG within 90 days of completion of the course and must include proof of successful completion of the program.

If awarded a scholarship, please be prepared to briefly explain to the Guild membership how both the employee and Guild member benefitted from the proceeds of the scholarship fund. This can be either in person or by letter/e-mail.

### Please provide the following information for review:

1. Name
2. Application Date
3. Contact Information: Address, Phone, Email
4. Entity name of the current full-time member of the MNCBG of which you are an employee
5. Scholarship amount you are applying for (\$1,000 or \$2,000)
6. Course, Date of Course, and the Name of the Organization offering the course
7. Total tuition for course
8. Are you receiving funding from any other source for this course? If yes, please list source and amount
9. Education History--from high school completion to present, including fields of study
10. Why are you interested in or enjoy the field of brewing?
11. List your total employment experience related to the brewing industry--include employer, dates, and duties
12. Describe your career/educational aspirations
13. How will this educational opportunity enhance the quality and/or standing of craft beer in Minnesota?
14. How will this educational opportunity relate to your career and enhance it?
15. List 1 individual from your member organization (name, address, phone, email) who endorses you as a candidate to receive the MNCBG scholarship
16. List 1 personal reference (name, address, phone, email) who understands your commitment to the craft brewing industry in Minnesota
