“Over the years, we’ve advertised in *The New Brewer* and at the Craft Brewers Conference. We believe they’ve been instrumental in helping us promote craft beer in the can, and have given us traction with our micro-canning systems which we developed and introduced in 2002. We’ve built awareness and recognition of our canning systems through the Association’s varied opportunities by giving us long-term access to the tight knit global community of craft brewers.”

“GABF offers several opportunities to connect with our customers. Through the event itself, and the fact it draws so many brewers and brewery owners, it offers a place and time where our craft brewing customers are in high concentration and good spirits; this allows to have face-to-face meetings, conduct hop selection remotely, and/or just have casual interactions. By having a booth in the Homebrew Marketplace, we also connect with homebrew shop owners, and the homebrewers themselves; this is a great way to promote our key ingredient lines.”

— Jake Keeler, Brewers Supply Group
